2008-2009 MONTANA ACCREDITATION STATUS RECOMMENDATIONS

Legend and Notes

1. Summary of Basic Accreditation Criteria (MT School Accreditation Standards and Procedures Manual, Appendix E):

Regular or Regular with Deviations	Advice	Deficiency with Assistance
<ul style="list-style-type: none"> Applicable accreditation standards are met Licensed staff is appropriately endorsed and assigned School programs and resources are adequate When the school meets the regular accreditation standards with only minor deviations – Regular w/Deviations 	<ul style="list-style-type: none"> Misassigned teacher – third occurrence Non-endorsed administrators – first occurrence Library and/or guidance services not present – first occurrence Minimum programs are not offered – first occurrence Non-endorsed counselor/librarians – second occurrence Continuing deviations for three (3) consecutive years Incomplete reports – first occurrence Approved variance(s) not followed – first occurrence 	<ul style="list-style-type: none"> Non-licensed staff – first occurrence Misassigned teacher – fourth occurrence Non-endorsed administrators – second occurrence Library and/or guidance services not present – second occurrence Library and/or guidance FTE requirements not met – third occurrence Minimum programs are not offered – second occurrence Non-endorsed counselor/librarians – fourth occurrence Continuing deviations for four (4) consecutive years Incomplete reports – second occurrence Approved variance(s) not followed – second occurrence

2. FTE (Full Time Equivalent) – staffing requirements may only represent a part of a full time staff member's time.

3. Examples of coding for number of occurrences of a deviation:

2T – second for same teacher 2D – second occurrence for district
 2P – second occurrence for position/program 2A – second for same administrator

1T:2P – first time for teacher; second time for position/program 3T:3P – third time for teacher; third time for position/program

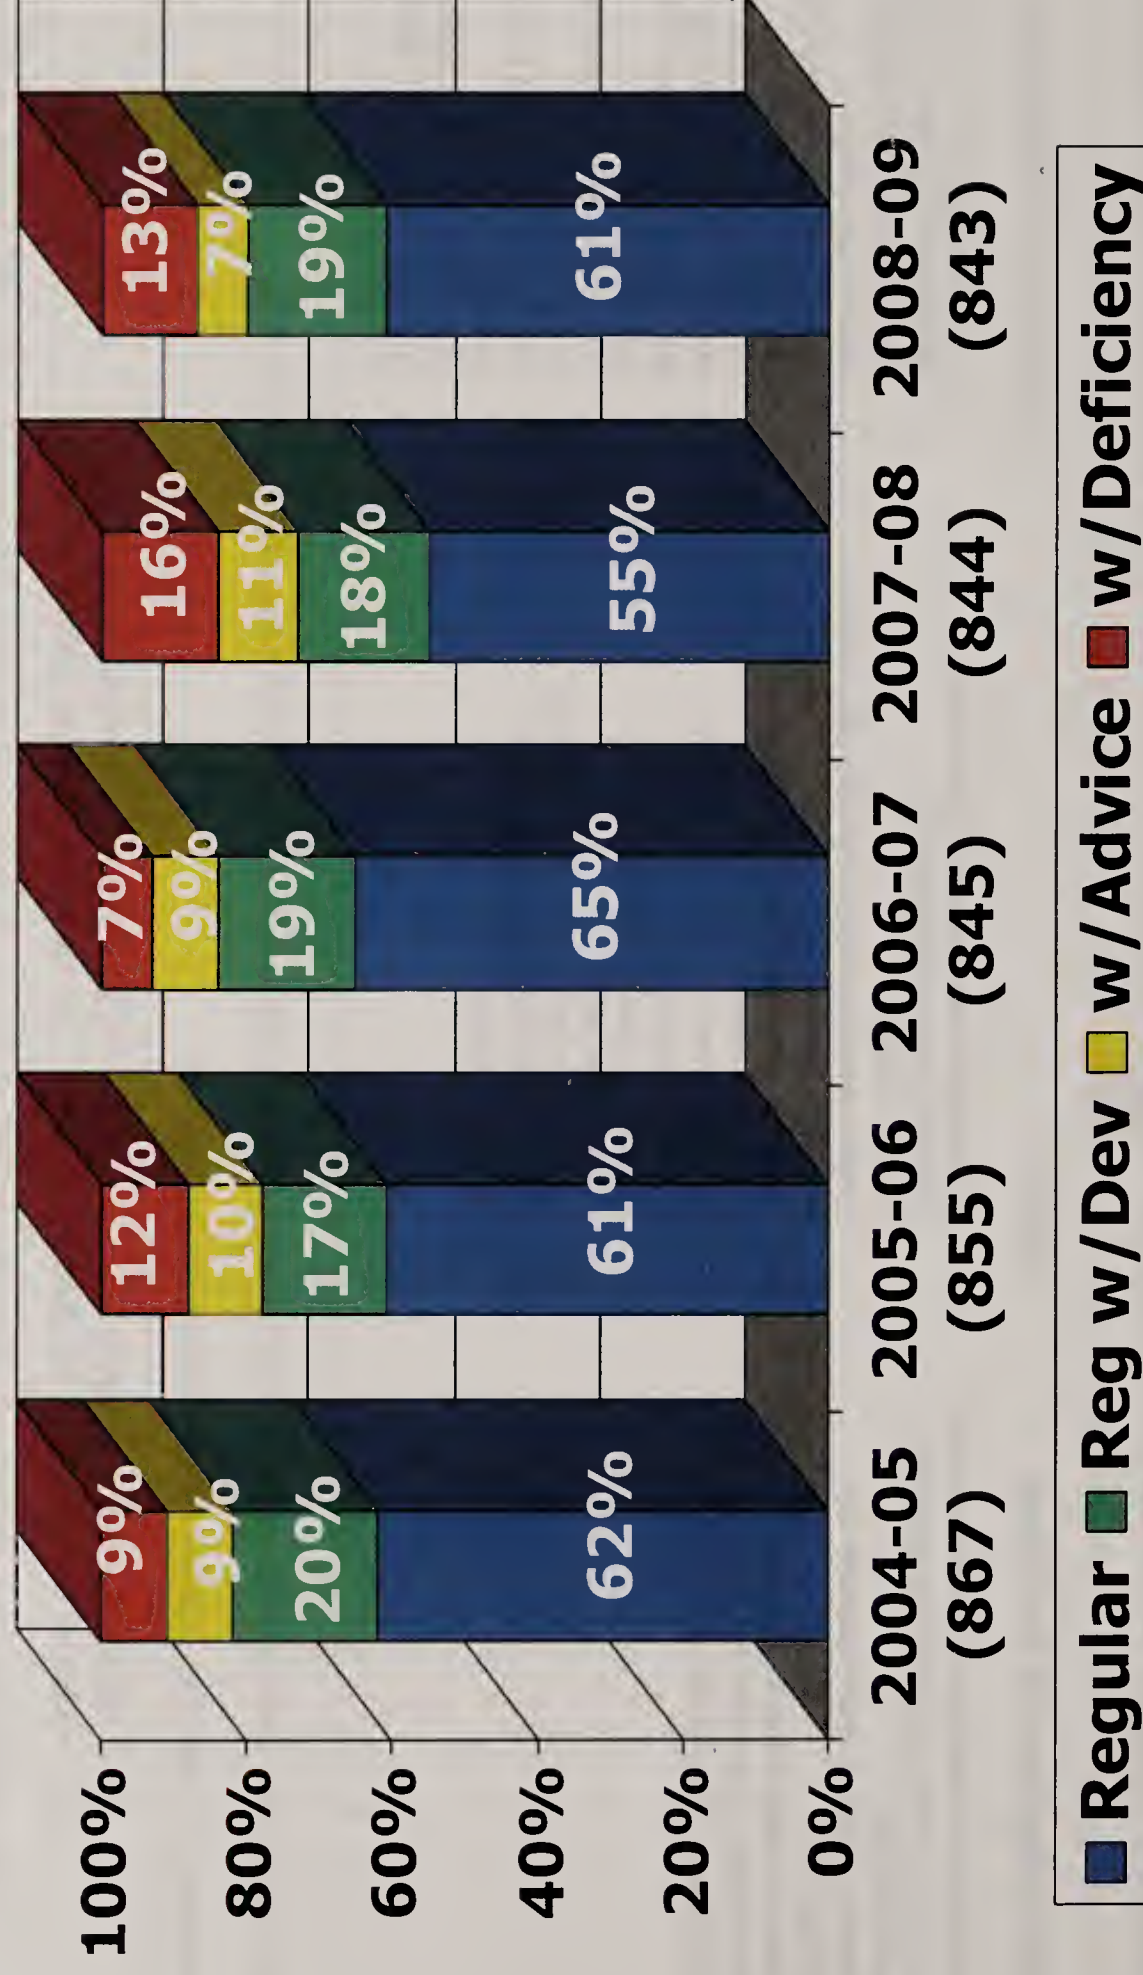

Note: A non-licensed teacher as noted in the report is one whose license was not valid as of December 1, 2008. When a teacher's license was issued after that date, it is noted with a double asterisk, e.g., 1 Teacher **. However, the deviation still remains in effect.

4. Process Comment: Following ADC data entry, electronic preliminary accreditation reports went out to all schools that submitted electronically. This allowed the opportunity for districts to input errors or to notify the OPI of corrections already undertaken.
